Vonberg Valve, inc. California Proposition 65 Statement

This statement is to inform Vonberg Valve's customers that items produced by Vonberg Valve do not contain chemicals which are listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986. This Act, commonly known as Proposition 65 (Prop 65), establishes a list of chemicals which the state of California's risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm.

Vonberg Valve will continue to monitor the Proposition 65 regulations for any new chemicals. Vonberg Valve will compare any newly listed chemicals with the raw materials in our finished product and communicate this information to our customers.
